Adoption Gathering

9:30 am - 12:30 pm
.....

What to expect if you attend the adoption gathering

The adoption gathering will give you an opportunity to meet approximately 20 children who are in need of adoptive families. We will have physical games (like basketball, football toss, corn hole, etc.), board games and other activities for you to participate in with the children while casually getting to know them.

Preparing you, before the children arrive

Plan to arrive at 9:30 a.m. for orientation (even if you have attended one of these events before). We will ask the children and their case managers to arrive at 10 a.m. so that we have enough time to walk through what the event will "look" like and answer questions before the children arrive. While we recognize that children currently living in your home are an important part of the adoption process, please do not bring them to the event. This may confuse other prospective adoptive parents, and, more importantly, takes attention away from the children who are hoping to meet their permanent family.

Where is the gathering held?

The adoption gathering will be held at the Jim Huie Recreation Center, 9045 Tara Blvd., Jonesboro, GA 30236, (678) 479-5136 (in the Harold Banke Justice Center Complex). Directions are on the fold-over panel.

To register please call Regional Adoption Coordinators Jessie Swan at (770) 603-4774 or Sean Kennedy at (404) 651-7330 by May 8.

May 9th

Plan to attend & meet the child (or children), like Magen, who may be right for your family

Magen, 8,

Magen, 8, is a happy and loving child who loves to be tickled! She was born with significant physical and developmental deficiencies and is considered medically fragile. Magen's current diagnoses include cerebral palsy, microcephaly, blindness, hearing impairment, and autistic tendencies. Although she is nonverbal, she is able to express her emotions by making noises and is calmed down by listening to music. Magen receives physical, occupational, and speech therapy on a weekly basis. Because Magen is wheelchair-bound, she is unable to participate in physical activities, but likes to play with noise-making toys and enjoys bath time.

For more information about Magen and other Georgia children in need of adoptive families, please call (800) 603-1322.

Adoption Videoconference

10:00 am - noon
.....

What to expect if you attend the videoconference

You will meet the same children who attend the adoption gathering, but through interactive television, rather than in person. And, while you are not able to play a game or do an activity with them, you may ask them about what they have been doing at the gathering.

There will be an adoption representative present to assist you while at this event. There will also be a brief orientation which will help guide you through the event (which children are scheduled to attend, what questions are okay to ask and not okay to ask and the next step after this event).

Since the children who are in need of adoptive families will not be at the videoconference sites you are welcome to bring your children.
